

WE BELIEVE EVERY CHILD HAS THE RIGHT TO A LOVING FAMILY...

...YET, 148 MILLION ORPHANS ARE DENIED THAT RIGHT

WHAT IS HOSTING

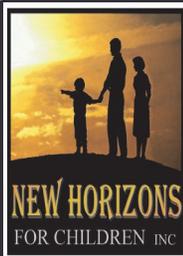

Orphan Hosting is inviting an orphan from another country to be a member of your family for a period of time. NHFC offers orphan hosting programs three times a year: 5-6 weeks in the summer; 5 weeks over Chinese New Year (Jan-Feb); 4-5 weeks over Christmas holidays. NHFC is the largest faith-based orphan hosting organization in the USA. Since 2002, thousands of orphans have been hosted through our ministry, matching orphaned children to Christian host families nationwide.

Typically about 450 children per year are served and growing!

SCHEDULE

- **SUMMER HOSTING** IS APPROXIMATELY 5-6 WEEKS, LATE JUNE TO EARLY AUGUST
- **CHINESE NEW YEAR HOSTING** IS 5 WEEKS IN JANUARY/FEBRUARY.
- **CHRISTMAS HOSTING** IS APPROXIMATELY 4 WEEKS, MID-DECEMBER TO MID-JANUARY

IDENTIFYING THE CHILDREN

Four times a year, our mission team travels overseas to meet and interview children in their orphanages. A host family is able to select the orphan they would like to host through our password protected online photo listing which provides a recent photo and brief biography. Matching begins after each interview trip.

HOSTING COSTS for our Eastern European programs are \$2950 and \$3050 for our Asian programs. These costs are similar to a mission trip overseas and cover expenses for the visiting orphan including passport, visa, translation of documents, transportation from orphanage to airport, airfare, medical insurance while in the USA, home safety visit, training costs, a portion of chaperone expenses, administrative costs and interview trip costs. All fees are tax deductible. If you cannot host, consider offering a scholarship to help a host family.

QUALIFICATIONS TO HOST

Hosting is open nationwide and ideal for Christian families with a heart for missions, but cannot travel overseas for a mission trip. In this case, we bring the mission into the family and their local congregation.
